Please add 1/8" bleed to all outside edges. This means if your artwork goes to the edge of the template, overlap it by 1/8" on all outside edges.

Do not flatten your artwork layer with the template layer! Keep this file as a layered document, with our template on one layer and your art on consecutive layer(s).

– When you are completed, call 1.800.827.0673 for instructions on how to send your artwork to us.
